

Read About This Report:**Working with Me**

The BestWork Experience measures personality traits and cognitive abilities that tend to remain stable over time. This report applies those measurements to specific behaviors in you that are related to working with others. Using this information, your coworkers can more quickly gain an understanding of how to communicate effectively with you. They can also understand more quickly how best to work with you. Areas of particular note are in **BOLD** type.

This report is not intended to be comprehensive but rather it is designed to highlight key points that are the ones which are most likely to enhance your working relationships. When potential issues are pointed out, it does not mean that the particular issue exists. It means that it is an area that may require special attention in order for you to reach the highest potential in your working relationships.

Working With Me:**My Speed of Learning**

- Learns much faster than average

My Speed of Communication

- My explanations can be quick and incomplete, assuming that you see and know the same things as I do Important to ask me questions to clarify your understanding
- When you present your ideas, it helps me when they are well thought out but presented clearly and concisely

My Discussion Style

- Expect debate or discussions that may challenge my opinions or ideas because it helps me to validate the idea
- It must be presented in an appropriate and professional manner
- Important to note that lack of discussion or challenge is interpreted as agreement

My Sense of Urgency

- Reasonable sense of urgency

My Consistency

- Can be fairly consistent but changes when necessary

My Flexibility

- Usually open to new ideas
- Willing to try different options and adapt to new situations when it makes sense
- Will sometimes make exceptions to procedures when necessary
